Reels charged at £10 per reel when used as packaging for bulk hose supply to distribution.

EXITFLEX offers a £10 per reel recycling rebate for all qualifying returned plastic reels.
EXITFLEX accepts reels from any distributor/end-user that have purchased EXITFLEX product shipped on EXITFLEX supplied reels.

In order to qualify for the £10 credit the reels must be:

1. Black in color and of current design.
2. Reels must be clean, i.e., no water or other contaminants inside the reels; and undamaged.
3. Reels must be original reels as supplied by EXITFLEX.

Simply follow these guidelines:

1. Package the reel components as densely as possible.
2. All reels must be returned to EXITFLEX UK LTD disassembled.

EXITFLEX will process the return shipment and issue a credit within 15 days of receipt
